Personal data that we process

Student Housing in Tilburg (SHT) processes your personal data because you use our services and/or because you provided this information to us yourself.

Below you will find an overview of the personal data that we process:

- First and last name
- E-mail address
- Telephone number

Special personal data

Student Housing in Tilburg (SHT) does not process special personal data, this is data that receives extra protection under the law.

Our service does not intend to collect data about persons under the age of 16, unless they have parental or guardian consent. However, we cannot verify whether a visitor to our online pages are older than 16. We therefore advise parents to be involved in the online activities of their children, in order to prevent data about children being collected without parental permission. If you are convinced that we have personal data without that permission collected about a minor, please contact us at studenthousingintilburg@gmail.com. We will delete this information within six months.

For what purpose and on what basis do we process personal data?

Student Housing in Tilburg (SHT) processes your personal data for the following purposes:

- To ensure that each individual completes our form only once, to avoid participants who complete it several times.
- To get respondents in contact with each other in order to create a network of support.
- To get in contact with respondents and ask them further questions about their answers (e-mail addresses).
- To be able to contact respondents about their experiences and upcoming actions (telephone numbers).

Student Housing in Tilburg (SHT) collects personal data directly from you, after you have given your consent. By providing this information to us, you agree that we may collect this information and process it.

Automated decision making

Student Housing in Tilburg (SHT) does not make decisions on matters based on automated processing that can have (significant) consequences for people. These are decisions that are made by computer programs or systems, without a person (for example, an employee of Student Housing in Tilburg (SHT)) in control.

How long do we keep personal data?

Student Housing in Tilburg (SHT) does not store your personal data longer than is strictly necessary to achieve the set of goals for which reason we started collecting your data. We use the following retention periods for the following personal data:
